The Guay Family - Your missionaries in Thailand

Dear Friends,

March 21, 2017

Thank you for faithfully praying for us as we minister in Thailand. Please pray for us to have an abundance of wisdom.

A lady and her 5 year old have been attending our church for several weeks. She was raised Muslim, later became Buddhist, and now wants to be a Christian. Pray for her to understand the Gospel and to be saved. Pray for us to have wisdom as we witness to her.

Kristi has started teaching English and Bible classes in another school. In addition to teaching the children, she gets to teach the teachers. Please pray that both students and teachers would be saved. Also pray for us to have wisdom as we teach the Bible in several schools.

For a while, we had a thriving ministry with English speakers, especially Filipino teachers that live here. Some got saved and others seemed to be growing closer to God. However, some of them came from different denominations and decided they did not agree with our teaching. Sadly, we only have one young man left coming to the English services. Please pray for him to be able to help the others understand the Gospel. Pray that we would be able to reach more of the foreigners that live here. They come from all over the world, but they have one thing in common, their need for a Savior.

Please continue to pray for our Thai church members to be able to win their family members, friends, co-workers, and neighbors to Christ. They are trying, but they often feel that others think they are strange for following Jesus. Pray for God to open hearts and give us and our church members wisdom in reaching the lost.

Our furlough is fast approaching. We will be in the states from July 2017 to January 2018. Please pray for us to have wisdom as we prepare for the trip.

If you get a paper copy of these prayer letters and would be willing to get them by email instead, please email us at thaiguay@gmail.com. We are hoping to lower the postage expenses. Thank you for your prayers and support.

Yours for Thailand,
