## The Guay Family - Your missionaries in Thailand

Dear Friends,

December 10, 2019

We hope you had a wonderful Thanksgiving. We have so much to be thankful for here in Thailand. Our church has been growing. We had two people get baptized and five more people get saved since our last letter!

One is a young lady who discovered our church through Facebook. The first Sunday she came she asked for a Bible and by Wednesday, she had read all of Genesis and most of Exodus! She has been bringing her friends to church and already looking for ways to help out!

One Burmese lady who attends the Burmese church service asked us to begin a weekly Bible study at her house so that her family and neighbors could attend. They live and work on a pig farm. They can't all leave at once, so they can't attend church like they want. We have been having a Bible study there for several weeks already. Six adults are eagerly attending!

We are now having our Wednesday night service in Thai, Thursday night Bible study at the pig farm in Burmese, Friday night service in English, Saturday night service in Burmese, and Sunday morning and evening services in Thai. We also do a Sunday afternoon church service at a school. In addition to this, we are still teaching English and Bible lessons in three schools each week. We are thankful to be able to share the Good News with so many people each week!

We were able to hand out thousands of tracts in November at a Buddhist Festival. We were so excited that lots of our church members helped us hand them out!

Thai Father's Day was last week. We had a special party to honor all the dads. We are excited to see how God will use the lives of these men.

Please help us to pray for a lady in our church with cancer and a man struggling with anxiety. Pray for wisdom as we should be able to close on the property we are buying this month. Pray for wisdom as we begin building a church building. Also, please pray for us as we share the true meaning of Christmas in schools and at church this Christmas.

May God bless each of you. Have a merry Christmas!

Yours for Thailand,
