Resurrection Sunday

## The Guay Family - Your missionaries in Thailand

Dear Friends,

April 4, 2024

Thank you for all your prayers for us. God has been answering! We have had a wonderful beginning to this year.

In January a couple of teens from our church helped us with our church service for students at a school. Nine kids responded to the invitation wanting to be saved! As we talked with and prayed with these students, one of the teens helping us said she wanted to be saved too! So, we had a total of ten saved that day! Then the next week eight more students were saved and the following week one more boy was saved! We were pleased to see these kids put their trust in Jesus!

Shortly after that a lady began coming to church. She had been baptized already, but after listening to the Bible study one night, she realized that she had never been saved. She got saved that night and got baptized a couple of weeks later. Then three teens and an 11 year old got saved during Sunday school! Two of these teens are Kristi's students at a school. They have been listening to Bible lessons at school for many years, then they started coming to church, and now they have trusted in Jesus as their Savior! It is such a blessing to see fruit from our ministry in the schools!

In addition to all these people getting saved, we have had some really good opportunities to witness to people. While handing out tracts one day, Kristi and two other ladies were able to witness to four women who were really interested in learning more about God. Our church members did such a good job witnessing to them! Another lady who comes to our English class has been asking many questions about God. Also, a dad of some English students has asked Richard many questions about God. He has lost a brother in a car accident. Seeing our strong faith in God in spite of us losing two of our children in an accident caused him to be curious about God. That is such a reminder that God can make all things work together for good. Please pray for all of these people to get saved!

We had a wonderful Resurrection Sunday! We had around 46 people for the morning service. Three people were baptized! Then we had a party/church service at our house that evening.

Over fifty people came and Naut did a great job preaching!

We will be going to America next week for a five week furlough. We will get to be at Micah's college graduation in May. We will be visiting churches in Georgia, Tennessee, North Carolina, and South Carolina. Please pray for the ministry here during our absence. Our son-in-law, Naut will be taking care of the church while we aren't here. Please pray for him.

Thank you for your prayers and support! God bless you!

Yours for Thailand,
