Dear Friends,

Happy New Years! Now it may seem strange to be told that in April, but Thai New Years is celebrated April 13-15! God has already blessed our family so much this year (since January), and we are looking forward to seeing what the rest of the year will bring! We are so grateful to each of you who make it possible for us to serve the Lord here in Thailand.

Richard hasn't had a seizure in almost 2 months! What a blessing! Please keep praying because he is having some trouble with headaches and tremors again. The church members are sure glad to have him back preaching to them each week!

The next big blessing is that our attendance at church is increasing again. For a couple of months we had only had about 9 people coming, but we had 16 two weeks ago and 15 last week. We had a young mother visit who is interested in knowing about being a Christian, and then we had a Christian lady visit who was looking for a church. She came Sunday and Wednesday! Please pray for both of them!

God blessed us with opportunities to reach out to the sick. One of our English students is married to a German man. Neither of them are Christians. He was recently diagnosed with stage 4 lung cancer. She is Thai and can only cook Thai food, but she thought he would eat better if he had food similar to German food. We aren't sure what they eat in Germany, but we have been making him American food and praying that God would use this to open a door for us to share the Gospel with him. So far he hasn't even allowed us to go in and see him, but he has started talking to a German man that is a Christian. Also, we have been able to witness to his wife, and his 13 year old daughter began asking our daughter how she knows that God is real. Please pray for them! Then we were asked to go visit a lady that was dying of stomach cancer. It was so sad to see her suffering and to realize that she was lost, about to die, and really unable to understand what was going on around her. She died 2 days later. Pray the Lord will use that visit as a means to cause her family to be saved. They weren't very happy about our visit, but one lady really listened as Richard witnessed.

We really felt like it was God's will for us to take our furlough this year, but we didn't have the money for plane tickets or anyone to preach at our church on Sundays. God met both needs! First we had volunteers for preaching, and then the money for our tickets was given to us! God's blessings often amaze us!!! We will arrive in America on June 25<sup>th</sup>. We hope to follow up on both Richard and Kristi's health problems while there. We look forward to visiting our supporting churches. We couldn't do this work without your help, and we look forward to updating you personally on how God has used you to bless the Thai people! Richard has been busy scheduling meetings. If you haven't heard from him yet and would like us to come to your church, please call, email, or write him. Our contact information is at the top of this letter and the phone number is a Texas number that rings our phone here in Thailand. Also, if you know of any other churches that would be interested in hearing about our ministry, please let us know. Please also pray that we will be able to raise some much needed additional support during this furlough. "I will bless the Lord at all times: his praise shall continually be in my mouth." Psalm 34:1
