The Guay Family - Your missionaries in Thailand

Dear Friends,

April 10, 2019

God blessed us with a granddaughter, Josefina Saranya Wanchai (Josie). She was born on February 15th in Chiangmai, Thailand. We are enjoying being grandparents!

The students here just started summer break, so last month we had a special time to honor the seniors at the school where we do church services. We wanted to be a blessing to those about to move away. Instead the kids were more of a blessing to us. After we prayed for God to bless them, one of the girls asked to say a few words. She thanked God for sending us to work in her school these past six years. She said that she has been coming to the services the whole time that we have been there, and that she has gotten saved and grown in the Lord during that time. Then another girl gave Richard a book bag that she made for him. We are going to miss these seniors as they go off to college and live in other parts of Thailand. Please pray that God will use them to spread the Gospel where ever they are and continue to use us to reach students in that school.

We have had several visitors at church recently too. One family joined our church a couple of weeks ago. They just moved here from another city. They have been saved many years. They hated leaving their other church when they moved, but they have already been a blessing in our church! Please pray for our church to continue to grow in number, and more importantly, to grow spiritually.

Thank you for your part in our ministry. We are thankful for all the prayers, encouragement, and support. You make it possible for us to serve the Lord here!

Yours for Thailand,
