Baptism Ceremony

The Guay Family - Your missionaries in Thailand

Dear Friends,

April 14, 2026

We are deeply grateful for your faithful prayers for the work here in Thailand. God has truly been answering prayers! Since February, eight children and one adult have been saved. On Easter Sunday, three new believers followed the Lord in baptism. One was our grandson! God is so good!

Last week, we held a teen camp at the church, with twenty young people in attendance. We were blessed to have missionary Mike Sullivant come and preach. It was a joy beyond words to see these teens hiding God's Word in their hearts, lifting one another up, and growing in faith. Seven of them had never stepped into a church before—what a powerful reminder that the fields are still white unto harvest!

Please pray that these young hearts will continue to seek the Lord and come to know Him personally.

In February, we also began holding church services and English classes at the new church, Abundant Love Baptist Church, in Sukhothai. Many members from the church in Tak traveled to be part of the dedication. Some of our young people have faithfully helped distribute tracts, sowing seeds of truth. Though the visible response has been small so far, we rejoice that one man has already begun attending. He is a believer who had been searching for a church home. We thank God for

guiding him to our new church! We trust Him for a greater harvest in His perfect time. "And let us not be weary in well doing: for in due season we shall reap, if we faint not." (Galatians 6:9)

In July, we will be celebrating the 20th anniversary of Light Baptist Church in Tak. We remember well the early days when few were coming. But, God has been so faithful and many have been saved! We rejoice in how God is blessing this church.

Thank you also for your continued prayers for Kristi's health. After seeking a second opinion, she has decided to wait before continuing treatment for the NTM lung disease. A new doctor is hopeful that her immune system may still overcome the infection. Given the potential side effects and uncertain outcomes of the medications, we are prayerfully seeking the Lord's wisdom. We are thankful that God has granted her peace in this decision. "Trust in the Lord with all thine heart; and lean not unto thine own understanding. In all thy ways acknowledge him, and he shall direct thy paths." (Proverbs 3:5-6) Please continue to pray for healing, for wisdom, and for strength in the days ahead. We rest in His promises, knowing that He is faithful in all things.

Thank you for standing with us in prayer and support. Your partnership in sharing the Gospel is a constant encouragement.
